Dear Ms. Walli:

Re: EB-2016-0004 Cost Claim

Please find attached the cost claim(s) of Anwaatin Inc. (**Anwaatin**), which also reflects the time spent by Anwaatin for another cost-eligible intervenor, Mocreebec Eeyoud (**Mocreebec**).

Counsel to Anwaatin and Mocreebec also represented another intervenor, Greenfield Specialty Alcohols Inc. (**Greenfield**), which was not cost eligible. The following governing approach has therefore been applied to the apportionment of legal costs among these various parties in order to maximize efficiency and minimize costs for all parties and Enbridge Inc. and Union Gas Ltd. (the **Deemed Applicants**):

- (i) time spent on review of any and all communications from the Board, the Deemed Applicants, or other intervenors was apportioned equally (50% each) between Anwaatin and Greenfield;
- (ii) communications, strategy, evidence, interrogatories, direct or cross examination for or on behalf of Anwaatin and Mocreebec was apportioned only to (100%) Anwaatin;
- (iii) communications, strategy, evidence, interrogatories, direct or cross examination for or on behalf of Greenfield was apportioned only to (100%) Greenfield; and
- (iv) to the extent that two legal professionals were attendant on the same activity (phone calls, hearing attendance or other), the costs were zero-rated for one of the legal professionals.

We trust that this approach maximizes both efficiency and the right of otherwise unrepresented and important First Nation and industrial end-use customers to be heard in a manner that is consistent with the Ontario Energy Board's mandate and statutory objectives. Please note that we are having some difficulties transmitting our courier receipts and that they will follow shortly.

Yours very truly,
