Dear Ms. Walli:

Re: Board File No. EB-2016-0061 – Canadian Niagara Power Inc.

We are in receipt of the correspondence from the Board in the above-noted matter suggesting a hearing date of December 20 and 21, 2016 for the remaining issues. Unfortunately, the Settlement Conference for Renfrew Hydro EB 2016-0166 has been scheduled for that date. I will be in British Columbia after December 20th and returning on December 29th. Arrangements have been made so I can participate remotely in the Settlement Conference on December 21st. We would respectfully request that alternate dates be considered.

We would suggest that the first week in January might be opportune and avoid potential scheduling and holiday conflicts.

Yours truly,

Michael Janigan
Counsel for VECC
