**Re: Lakeland Power Distribution Ltd. (LPDL) and Parry Sound Power Corporation (PSPC)
2017 IRM4 Electricity Distribution Rate Application,
OEB File No. EB-2016-0090**

Dear Ms. K. Walli:

Lakeland would like to restate its suggestion for disposal of Group 1 and GA accounts for The Parry Sound Service Area. Lakeland agrees that \$65,112.46 pertains to years that have been previously disposed of.

To that end, Lakeland would like to suggest that it return the \$65,112.46 overpaid by customers to those same customers within the Group 1 account rate rider and not collect the \$65,112.46 underpaid by customers. The rate rider on Group 1 accounts is requested to be over 12 months in order that all Parry Sound related issues are cleared prior to Lakeland's 2018 Cost of Service which will include rate harmonization. The model has been revised and the bill impacts indicate that no rate class is affected by greater than 10%. Lakeland would also like to suggest that the rate riders be final ones and these accounts would be disposed of on a final basis.

Respectfully Submitted,

Margaret Maw
