DECISION AND ORDER

PIKE LAKE GOLF CENTRE LIMITED

Application for a Unit Sub-Metering Licence

BY DELEGATION,

BEFORE: Brian Hewson

December 15, 2016

Decision and Order

Pike Lake Golf Centre Limited filed an application on September 28, 2016 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* for Unit Sub-Metering Licence. The licence would allow the applicant to provide unit sub-metering services to consumers in Ontario.

A Notice of Application and Written Hearing was posted on the OEB's website on October 18, 2016. The Notice provided time for submissions on the application evidence, as well responses from the applicant. No parties responded to the Notice.

This Decision and Order is being issued by Delegated Authority, pursuant to Section 6 of the Act.

After considering the evidence, I find it to be in the public interest to issue a Unit Sub-Metering Licence to Pike Lake Golf Centre Limited.

IT IS ORDERED THAT:

1. The application for a unit sub-metering licence is granted, on such conditions as are contained in the attached licence.

DATED at Toronto, December 15, 2016
