DECISION AND ORDER

EB-2016-0289

H2O POWER LIMITED PARTNERSHIP

Application for an Electricity Retailer Licence

BY DELEGATION,

BEFORE: Brian Hewson
Vice President, Consumer Protection & Industry Performance

December 21, 2016

Decision and Order

H2O Power Limited Partnership filed an application on September 28, 2016 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* for an Electricity Retailer Licence. The licence would allow the applicant to retail electricity to customers in Ontario.

A Notice of Application and Written Hearing was posted on the OEB's website on October 18, 2016. The Notice provided time for interrogatories and submissions on the application evidence, as well responses from the applicant. No parties responded to the Notice.

This Decision and Order is being issued by Delegated Authority, pursuant to Section 6 of the Act.

After considering the evidence, I find it to be in the public interest to issue an Electricity Retailer Licence to H2O Limited Partnership.

IT IS ORDERED THAT:

1. The application for an electricity retailer licence is granted, on such conditions as are contained in the attached licence.

DATED at Toronto, December 21, 2016
