E2 ENERGY INC.

Application for an Agent Only Electricity Retailer Licence

BY DELEGATION,

BEFORE: Brian Hewson

December 21, 2016

Decision and Order

E2 Energy Inc. filed an application on October 28, 2016 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* for an Agent Only Electricity Retailer Licence for Large Volume Consumers only. The licence would allow the applicant to act as an agent or broker to retail electricity to large volume customers in Ontario.

A Notice of Application and Written Hearing was posted on the OEB's website on November 10, 2016. The Notice provided time for submissions on the application evidence, as well responses from the applicant. No parties responded to the Notice.

This Decision and Order is being issued by Delegated Authority, pursuant to Section 6 of the Act.

After considering the evidence, I find it to be in the public interest to issue an Agent Only Electricity Retailer Licence for Large Volume Consumers only to E2 Energy Inc.

IT IS ORDERED THAT:

1. The application for an electricity retailer licence is granted, on such conditions as are contained in the attached licence.

DATED at Toronto, December 21, 2016
