**Decision and Order**

Aagent Energy Advisors Inc. filed an application on September 28, 2016 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* for an Agent Only Electricity Retailer Licence for Large Volume Consumers Only. The licence would allow the applicant to act as an agent or broker to retail electricity to large volume customers in Ontario.

A Notice of Application and Written Hearing was posted on the OEB's website on October 18, 2016. The Notice provided time for submissions on the application evidence, as well responses from the applicant. No parties responded to the Notice.

This Decision and Order is being issued by Delegated Authority, pursuant to Section 6 of the Act.

After considering the evidence, I find it to be in the public interest to issue an Agent Only Electricity Retailer Licence to Aagent Energy Advisors Inc.

**IT IS ORDERED THAT:**

1. The application for an electricity retailer licence is granted, on such conditions as are contained in the attached licence.
