Dear Ms. Walli:

Re: Oshawa PUC Networks Inc. (ED-2002-0560)
2017 IRM Rate Application (EB-2016-0323)

Oshawa PUC Networks Inc. received the Decision and Rate Order of the Board concerning the above rate application. We have reviewed the Tariff of Rates and Charges set out in Schedule A of that Decision and note the inaccuracy detailed below.

There appears to be an error in the rate calculated for 2017 in the "Street Lighting" category. The monthly service charge reflected in Schedule A of this Decision is \$1.892 per connection; whereas, the approved Rate Order issued December 22, 2015 as part of Oshawa PUC Networks' Custom IR (EB-2014-0101) approved a 2017 service charge of \$1.92 per connection. We request that the monthly service charge in Schedule A in the "Street Lighting" category be corrected to \$1.92 per connection.

Yours truly,

Phil Martin
