Dear Ms. Walli:

Re: EB-2016-0089 Lakefront Utilities Inc. Cost Objection

We are in receipt of the cost objection of Lakefront Utilities Inc. of December 22, 2016. Unfortunately counsel is out of the province and requires some materials not available at this location to prepare a response to the objection. In addition, there are DNS problems associated with the PIAC central server that are being remedied with some difficulty arising as a result of Christmas holiday-related staff absences (temporary Email coordinates are being used for this correspondence). In the circumstances, we are requesting an extension of the time for reply to the cost objection to Wednesday January 4, 2017.

We apologize for any inconvenience.

Yours truly,

Michael Janigan
Counsel for VECC
