Dear Mr. Hurtubise:

**Re: Boralex Inc.
Notice of Proposal under Sections 80 and 81 of the *Ontario Energy Board
Act, 1998*
OEB File Number EB-2016-0375**

On December 19, 2016, Boralex Inc., an affiliate of a generator and exempt transmitter, filed a notice of proposal under sections 80 and 81 of the *Ontario Energy Board Act, 1998* in connection with the applicant's intention to acquire an interest in the Niagara Region Wind Project that includes transmission facilities.

This letter is to inform you that the OEB does not intend to issue a notice of review of the proposal.

Yours truly,
