TRANSCANADA PIPELINES LIMITED
APPLICATION FOR INTERVENOR STATUS

To: Ms. Kirsten Walli
Board Secretary
Ontario Energy Board

APPLICATION

1. TransCanada PipeLines Limited (TransCanada) requests intervenor status in the proceeding for adjudication of the Application.
2. TransCanada is a company incorporated under the laws of Canada.
3. TransCanada owns and operates a high-pressure natural gas transmission system that extends from Alberta to Ontario and through a portion of Quebec, connecting to various downstream Canadian and international pipelines (the Mainline). The National Energy Board regulates TransCanada's operation of the Mainline.
4. TransCanada transports natural gas on the Mainline for others for use in the Canadian domestic market and for export from Canada to the United States.
5. Enbridge Gas Distribution Inc. (Enbridge) is a large domestic customer on the Mainline. TransCanada has a direct interest in matters involving Enbridge's system, rates and policies and the effect they may have on the services TransCanada provides to Enbridge and other customers on the Mainline.
6. TransCanada has contracted for Rate 332 service on the Enbridge system and therefore has an interest in matters that may affect the rates or the terms and conditions of service on the Enbridge system.
7. TransCanada reserves its rights to participate in all aspects of the proceeding, including evidence, interrogatories, cross-examination and argument.
8. TransCanada further requests receipt of all pre-filed material and any further notices or other material that may be issued or filed in connection with this proceeding. The names, mailing and electronic addresses, telephone and facsimile numbers of TransCanada representatives are as follows:
