Dear Ms. Walli:

**Re: Ontario Energy Board Generic Proceeding
Natural Gas Community Expansion – EB-2016-0004
Enbridge Gas Distribution Comments on Intervenor Cost Claim Submission**

In regards to the Ontario Energy Board's (the "Board") Decision with Reasons for the Natural Gas Community Expansion proceeding dated November 17, 2016, it has recently come to our attention that Anwaatin Inc. filed, on December 19, 2016, a revision to their cost claim to reflect a change in Ms. DeMarco's hourly rate.

The Company has no objection to the revised claim where it can be confirmed that the 20 year threshold of legal and commensurate experience has been met.

The Company awaits the recommendations and or cost awards of the Board with respect to these cost claims.

Yours truly,
