**Re: Milton Hydro Distribution Inc. ED-2003-0014**  
**OEB File No. EB-2016-0093**  
**2017 IRM Rate Application**  
**Correction to Deferral/Variance Tab 3 – Rate Generator Model**

Milton Hydro Distribution Inc. ("Milton Hydro") is filing corrections to its 2017 IRM Rate Application through the Ontario Energy Board's RESS. Milton Hydro separated the Capacity Base Recovery charge amount for class B customers from the Wholesale Market Service charge for 2015 when in fact the amount should have been left in the WMS account for 2015.

Milton Hydro is filing a corrected 2017 IRM Rate Generator Model V1.3; a revised Table 4 – Proposed Deferral and Variance Account Rate Riders on page 9 to its Manager's Summary and a revised Tariff of Rates and Charges. Each file is dated 20170124.

Yours truly,

*Original Signed*

Cameron McKenzie CPA, CGA  
Director, Regulatory Affairs  
Milton Hydro Distribution Inc.
