

January 20, 2017

I, Perry Orosz, Director of Customer Service & Employee Relations at Welland Hydro-Electric System Corp. of Welland, Ontario make oath and say as follows:

Prior to January 26, 2017, Welland Hydro-Electric System Corp. posted in a prominent place on our website, www.wellandhydro.com, and posted in the Welland Hydro Office, The English and French Versions of the Notice of Hearing, the Application for 2017 Distribution Rates and evidence for Ontario Energy Board File Number: EB-2016-0110.

The English and French Versions of the Notice of Hearing, the Application for 2017 Distribution Rates and evidence for Ontario Energy Board File Number: EB-2016-0110 was also served to all Welland Hydro-Electric System Corp. MicroFIT Customers, The Energy Probe Foundation, The School Energy Coalition, and the Vulnerable Energy Consumer's Coalition.

The following message: "We have applied to @OntarioEnergyBoard to increase our electricity distribution rates. Learn more. Have your say." On the Welland Hydro-Electric System Corp. twitter account, @Wellandhydro, with a link to the Notice posted on the Welland Hydro-Electric System Corp. website.

Sworn by the said Perry Orosz 

Before me, ROSANNE MANTOSSO at the CITY OF Welland, Ontario.

On the 25th day of JANUARY, 2017

 A Commissioner, etc.
