Dear Mr. Brett:

**Re: Hydro One Networks Inc.
2017 and 2018 Transmission Cost of Service Application
Board File Number EB-2016-0160
Request for extension of filing deadline for submission of BOMA final
argument**

The OEB acknowledges the receipt on February 1, 2017 of your letter requesting a one week extension, to February 8, 2017 for BOMA to file its final argument in this case.

After consideration of the reasons provided to justify a filing deadline extension, the OEB has determined that BOMA will be granted until Monday, February 6, 2017 at 9:00 am for the submission of their argument. The OEB is sympathetic to the reasons provided for the requested extension but expects that you should be able to secure human resources to record your verbally dictated drafting as a possible remedy that would facilitate a Monday morning filing.

Hydro One is granted a one day extension for the filing of final reply argument in recognition of BOMA's extension.

Yours truly,
