Attention: Kirsten Walli, Board Secretary

Dear Ms. Walli:

**Re: Low-Income Energy Network's Comments on Draft Issues List
Board File Nos. EB-2016-0300, EB-2016-0296 and EB-2016-0330
Enbridge Gas Distribution Inc., Union Gas Limited and Natural Resource Gas
Limited - Cap and Trade Natural Gas Compliance Plans**

We are counsel for the Low-Income Energy Network ("LIEN").

We note that the Board's Draft Issues List as set out in the Board's Procedural Order 1 dated January 27, 2017 does not expressly refer to the utilities' greenhouse gas abatement activities. LIEN suggests the following addition to the Issues List:

1.11 Are the gas utility's proposed greenhouse gas abatement activities reasonable and appropriate?

Yours truly,

Matt Gardner
