Subject: Staff Question

Hi Jessy

I only have a few things to clarify, things may come up later.

Thanks Kelli

Staff Question In Hearst Power's Manager Summary on page 12 it states "does not have any Class A customers". These questions are just to ensure there never were any Class A customers in 2015.

1. Please confirm Hearst Power did not have any movement of customers from Class B to Class A during 2015. *Hearst Power confirms there were no movement of customers from Class B to Class A during 2015*

2. If Hearst Power did have movement from class B to A please complete Tab 6.a by checking the box at the top of Tab 3. *N/A*

If you have a Class A customer, 1580 sub-account CBR Class B will be disposed through a rate rider calculated outside the model (if significant).

If you have only Class B customers, the balance applicable to Class B will be allocated and disposed with account 1580.

Please click if you have one or more Class A customers. ☒

3. Did Hearst Power have any customers switch from Class A to Class B in 2015? *No customers were switched from Class A to Class B in 2015.*
4. If Hearst Power did have customers switch from Class A to Class B in 2015 please do a calculation as to determine the amount of GA that should be allocated to them. *N/A*
