Dear Ms. Walli,

**Re: Board File Numbers: EB-2016-0357 and EB-2016-0358  
GM and ER Licence Renewal Applications  
Canadian Energy Protection Corp.**

Please find enclosed the remaining outstanding documents pertaining to the above noted applications.

The cover letter attached is the requested cover letter referred to in the renewal applications. This cover letter is NOT current, and is from CEPC's initial licence applications from 2014. The only relevant section being Mr. Cunningham's experience in the energy sector prior to CEPC. The only new difference being that Mr. Cunningham can now also list the experience of successfully founding and launching a licenced gas marketer/electricity retailer in CEPC.

We sincerely apologize for any delay. If you require any further details please don't hesitate to contact the undersigned.

Yours truly,

*Mark Cunningham  
President and Chairman,  
Director, Compliance and Regulatory Affairs*
