Dear Ms. Walli,

**Re: Requirement to File Copy of Contracts
EB-2015-0268**

As of January 1st, 2017, Canadian Energy Protection ("CEP") has temporarily ceased the offering of new contracts to low-volume consumers.

CEP does intend to recommence new low-volume acquisitions sometime in the next three (3) months.

CEP is fully aware that it must provide the OEB with copies of contracts it intends to use with low-volume consumers in the future prior to recommencing any offers to low-volume consumers.

Should you have any questions please don't hesitate to contact the undersigned.

Yours truly,

Mark Cunningham
President and Chairman,
Director, Compliance and Regulatory Affairs
