Dear Mr. Walsh:

**Re: Rideau St. Lawrence Distribution Inc.  
2017 Cost of Service  
Interrogatory Responses  
Board File Number: EB-2015-0100**

The Ontario Energy Board (OEB) received a letter from Rideau St. Lawrence Distribution Inc. (RSL) on March 8, 2017. In its letter, RSL noted that the interrogatory questions required RSL to update all the cost of service models to reflect 2016 actual amounts, which is a significant task. RSL has asked to extend the interrogatory response filing deadline until March 24, 2017.

The OEB will grant the requested extension. The filing deadline for the interrogatory responses is extended until March 24, 2017. All other dates in PO#1 are cancelled and will be rescheduled once the responses are filed.

Yours truly,
