Dear Ms. Richardson:

**Re: Request for Extension of Time for Interrogatory Responses  
Hydro One Networks Inc.'s Application for Leave to Construct the West  
Toronto Transmission Enhancement Project  
OEB File Number: EB-2016-0325**

---

The Ontario Energy Board (OEB) received your request, dated March 9, 2017, for a two-week extension to file the interrogatory responses due March 9, 2017. Hydro One explained that it needed more time for consultation with Toronto Hydro to finalize the interrogatory responses.

The OEB has reviewed the request and the explanation provided and will extend the deadline for interrogatory responses by one week to March 16, 2017. All subsequent dates in Procedural Order 1 will also be extended by one week. The date for written submissions by OEB staff and intervenors will be March 30, 2017. The date for Hydro One's written reply submission will be April 13, 2017.

Yours truly,
