

ONTARIO ENERGY BOARD NOTICE TO ALL ONTARIO ELECTRICITY CUSTOMERS

Electricity Transmission Company B2M LP has applied to change Ontario's electricity transmission rates.

Learn more. Have your say.

B2M Limited Partnership has applied to the Ontario Energy Board to increase the amount of revenue it will earn for 2017. If its application is approved it would have a minimal impact on the monthly cost of electricity for an average residential customer.

The Ontario Energy Board's decision on this application will have an effect on all electricity consumers in Ontario. The cost of transmission is reflected in the delivery charges included on bills.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider B2M's request. We will question the company on its case for a rate increase. We will also hear arguments from individuals and from groups that represent B2M's customers. At the end of this hearing, the OEB will decide what, if any, change will be allowed.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
