Good Afternoon Ms. Ing,

The attachment above that was included with your email below, stated that our request to be intervenors in the upcoming Henvey Inlet Wind leave to construct hearing, was denied as we "have no interests in land that would be directly affected by the proposed transmission facilities." We hereby contest this decision, as the map on page 61 of the application for a leave to construct, clearly indicates that our property is within the boundaries of the proposed transmission corridor. Our property is also shown within the orange section on the map as permanently affected lands.

Your timely response to this major concern would be greatly appreciated.

Sincerely,

Richard & Anne Kaster
