Dear Ms. Speziale:

**Re: Thunder Bay Hydro Electricity Distribution Inc.
Application for Rates
Board File Number EB-2016-0105**

The Ontario Energy Board (OEB) received your letter of March 23, 2017 requesting an extension until March 28, 2017 to file a settlement proposal.

The OEB considers this request reasonable given the circumstances. Accordingly, any settlement proposal arising from the settlement conference shall be filed on or before March 28, 2017 and any submissions on whether non-settled issues should be heard orally or in writing shall be filed by March 29, 2017.

The OEB also advises parties that the oral hearing scheduled for April 11, 2017 is cancelled. The OEB will issue further procedural direction on this matter shortly.

Yours truly,

Original Signed by

Kirsten Walli,
Board Secretary
