Dear Ms. Walli:

**Re: EB-2016-0137; EB-2016-0138; EB-2016-0139 – South Bruce Expansion Applications.
Industrial Gas Users Association (IGUA) Intervention.**

By letter dated January 16, 2017 IGUA sought intervention in the captioned matters (as then constituted).

Having considered intervening procedural directions herein, culminating in Procedural Order No. 3 issued on March 23rd, IGUA has determined that it does not have a “directly affected constituency” in the subject municipalities which requires representation by IGUA. IGUA thus writes to advise the Board that it does not intend to seek confirmation of its intervenor status in Phase 2 of this proceeding, and will not be providing Phase 1 submissions.

We trust that this advice is of assistance to the Board.

Yours truly,

for: Ian A. Mondrow
