Dear Ms. Walli,

**Re: EB-2016-0059**

On April 13, 2017, the Board issued its Draft Decision and Order in the above named matter and the associated 2017 Rate Generator Model.

Burlington Hydro has reviewed both the 2017 Rate Generator Model and the Board's Draft Decision and Order. Burlington Hydro has no issue with either the Draft Decision and Order, or, with the associated 2017 Rate Generator model.

Please do not hesitate to contact me if you require anything further in this matter.

Yours truly,

J. Saunders  
Vice-President, Regulatory Compliance and Asset Management
