Re: Status of the Cost of Service Rate Application

Dear Madame:

Please be advised that Westario Power Inc. has encountered complications which will cause a delay in the submission of the Cost of Service Rate Application scheduled for May 1, 2017. We continue to work diligently on the application and recognize the timelines surrounding the process and are still striving to obtain approvals, recognizing the time constraints, with rates effective Jan 1, 2018.

If further clarification is required please contact me at your convenience.

Sincerely,

Westario Power Inc
