EB-2017-0176

DUBREUIL LUMBER INC.

Application to extend the term of an Electricity Distribution Licence

BY DELEGATION, BEFORE: Brian Hewson

April 27, 2017

ORDER

On April 21, 2017, Dubreuil Lumber Inc. (DLI) applied to the Ontario Energy Board (OEB) for an order extending the term of its electricity distribution licence, ED-2012-0074, for a further six months past its expiry date. DLI's electricity distribution licence is set to expire on April 27, 2017.

Pursuant to an order issued by the OEB on April 4, 2017, Algoma Power Inc. was given an interim licence ED-2017-0153 to operate the electricity distribution system of DLI, in the Township of Dubreuilville. DLI submits that it requires a six-month licence extension, during which period it intends to continue commercial discussions with regard to a permanent transfer of its electricity distribution system to another OEB-licensed entity.

The OEB has considered the application without holding a hearing pursuant to section 6(4) of the Act. The OEB finds the request for an extension of the term of DLI's licence ED-2012-0074 to be reasonable and in the public interest.

IT IS ORDERED THAT:

1. The expiry date of Dubreuil Lumber Inc.'s Electricity Distribution Licence ED-2012-0074 is extended to October 26, 2017 or until Dubreuil Lumber Inc. transfers its electricity distribution system to another OEB-licensed entity, whichever is earlier.
