Dear Ms. Walli:

**EB-2016-0100 PETERBOROUGH DISTRIBUTION INC.
2018 COST OF SERVICE APPLICATION DEFERRAL REQUEST**

On January 3, 2017 we wrote to request for a deferral of our 2017 cost of service application. In that request we further requested permission to file a price cap incentive rate application for 2017. On March 2, 2017 this request was approved.

Pursuant to your request, we are writing to confirm we will not be pursuing the filing of a cost of service rate application in 2018.

We will not be asking for amendment to rates given that we will shortly be coming to the Board with a MAAD application with respect to the proposed transaction to dispose of Peterborough Distribution Inc. to Hydro One Inc.

Two hard copies of this letter will be sent to the Board in addition to filing via RESS.

Thank you for your consideration of this matter, and should you require any further information, please do not hesitate to contact the undersigned.

Regards,
