**RE: Combined Service Area Amendment and Asset Transfer Application Between
Niagara Peninsula Energy Inc. and Niagara-on-the-Lake Hydro Inc.**

Dear Ms. Walli:

In accordance with the Distribution System Code amendments of December 21, 2015, Niagara Peninsula Energy Inc. and Niagara-on-the-Lake Hydro Inc. are jointly applying to the Ontario Energy Board ("OEB") for approval to amend the service area of both distributors such that all existing long-term load transfer arrangements between the two LDCs are eliminated.

The names of the affected customers are being filed in confidence, pursuant to the OEB's *Rules of Practice and Procedure* and its *Practice Direction on Confidential Filings*.

Two hard copies of this application will be forwarded to the OEB, as well as two un-redacted copies of the information in respect of which confidentiality is claimed.

Please contact myself should anything further be required at 905-356-2681 ext. 6064.

Yours truly,
NIAGARA PENINSULA ENERGY INC.
