Decision and Order

GC Project Inc., on behalf of GC Project LP filed an application on February 22, 2017 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* (the Act) for an electricity retailer licence. The licence would allow the applicant to retail electricity to large volume consumers in Ontario.

A Notice of Application and Written Hearing was posted on the OEB's website on March 29, 2017. The Notice provided time for submissions on the application evidence, as well as responses from the applicant. No parties responded to the Notice.

This Decision and Order is being issued by Delegated Authority, pursuant to Section 6 of the Act.

After considering the application, it has been found to be in the public interest to issue the electricity retailer licence under Part V of the Act to GC Project Inc., on behalf of GC Project LP.

IT IS ORDERED THAT:

1. The application for an electricity retailer licence (large volume consumers only) is granted, on such conditions as are contained in the attached licence.
