Dear Mr. Safayeni:

**Re: Ensqr Corporation (Ensqr)  
OEB File Number EB-2016-0380**

This letter is in response to the documents filed with the OEB and served on Ensqr by the OEB Enforcement Team on May 12, 2017. The documents were filed pursuant to Procedural Order No. 1 which required the OEB Enforcement Team to file with the OEB and serve on Ensqr the documents it intends to produce or enter into evidence at the oral hearing.

The cover letter to the documents stated the following:

*Finally, the OEB Enforcement Team confirms that it has made disclosure of additional documents (beyond the affidavits set out above) to Ensqr, in accordance with our obligations under Rule 16. My understanding is that these documents - i.e. those that are disclosed, but will not be relied on by the OEB Enforcement Team - are normally not subject to being filed with the Board, unless and until a party decides that it will rely on them at the hearing. However, Procedural Order No. 1 seems to contemplate otherwise (paragraph 1 requires the OEB Enforcement Team to file "a copy of every document it intends to produce.") We would be grateful if the Board could clarify whether it expects the OEB Enforcement Team to file this additional disclosure, in which case we will do so.*

The OEB confirms that only those documents upon which the OEB Enforcement Team intends to rely are to be filed with the OEB. The additional documents that were disclosed to Ensqr but will not be relied on by the OEB Enforcement Team need not be filed with the OEB.

Yours truly,

*Original Signed By*

Kirsten Walli  
Board Secretary
