Address: \* [REDACTED]

(Street Address, City/Town, Postal Code)

**Comments:** \* Please continue on back of form if necessary. In making your comment, please consider telling us what you like and do not like about the application, what you think could be improved or what you think is missing.

- On the north side of Talbot Rd. we are constantly having our electricity go out. Sometimes for hours even if there is not a storm. It has been happening for myself for almost 20 years. Everything (breakers) are being checked by ELK. Our equipment needs to be replaced by new up to date equipment. So when there is a storm we are not threatened with flooding because we have no electricity.

- Residents in town are getting older and no one has had an increase in wages. Taxes have also been increasing.

Fix my lights and then I may consent to the increase otherwise NO. Thank you.

I am in favour of the increase to keep our utility healthy. It is evident that they have, in the past operated efficiently and I want to be sure that they continue to do so. I believe this rate adjustment will help them in continuing to provide a competitive service.
