

**Five Nations Energy Inc.**

**Application for changes to its electricity transmission  
revenue requirement effective January 1, 2016**

**PROCEDURAL ORDER NO. 2  
May 29, 2017**

Five Nations Energy Inc. (Five Nations Energy) filed a cost of service application with the Ontario Energy Board (OEB) on July 27, 2016 (completed November 25, 2016) under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to its transmission revenue requirement effective January 1, 2016. Five Nations Energy recovers its approved revenue requirement through Ontario's Uniform Transmission Rates.

The OEB issued Procedural Order No. 1 on February 7, 2017, which set out the schedule for filing and responding to interrogatories. The OEB received Five Nations Energy's interrogatory responses on April 12, 2017 (and supplementary interrogatory responses on April 19, 2017).

Five Nations Energy requested that its application be processed by way of a written hearing. After reviewing the evidence and the interrogatory responses, the OEB has determined that it will consider all of the issues in this proceeding by way of an oral hearing. The OEB has established a process for developing a draft issues list and set the dates for an oral hearing in the Order section below. The OEB will not provide for a settlement conference with respect to Five Nations Energy's application.

It is necessary to make provision for the following matters related to this proceeding. Further procedural orders may be issued by the OEB.

**THE ONTARIO ENERGY BOARD THEREFORE ORDERS THAT:**

1. Five Nations Energy, OEB staff and Energy Probe shall develop a proposed issues list for the OEB's consideration. OEB staff shall file the proposed issues list, or, alternatively, shall advise the OEB in writing that the parties and OEB staff have been unable to reach an agreement on a draft issues list, by **June 15, 2017**.
2. An oral hearing will be convened on **July 12 and 13, 2017** from 9:30 a.m. to 4:30 p.m. at 2300 Yonge Street, 25<sup>th</sup> floor, Toronto.

**DATED** at Toronto, **May 29, 2017**

**ONTARIO ENERGY BOARD**
