

Online Verification Form Natural Gas Contract Entered into by Mail: Residential Consumers

Instructions for using this form:

1. *This form must only be used for residential consumers that have entered into a contract for natural gas by mail.*
2. *In this form, the term “energy retailer” is used to refer to the gas marketer.*
3. *The online verification process must be automatically terminated if Ontario Regulation 389/10 (General) made under the Energy Consumer Protection Act, 2010 (the ECPA Regulation) or this form so requires. Among other things, the online verification process must be terminated if at any time it appears that verification is taking place on a date that is outside the window allowed by the ECPA Regulation. Where the online verification process must be terminated by reason of the above, a termination message must automatically be displayed on the consumer’s device advising the consumer in plain language the reason why that is the case. The message cannot contain any statements regarding any benefit to the consumer that may be lost as a result of the termination of the online verification process, but must indicate in neutral terms that the contract will become invalid if it is not verified within the time allowed by the ECPA Regulation and that the consumer’s energy supply arrangements will remain as they are on the date of the consumer’s online verification session.*
4. *The online verification process must be automatically terminated if the consumer clicks any of the boxes in the form that are presented in red font.*
5. *Additional instructions are embedded in the form, in italics.*
