

ONTARIO ENERGY BOARD NOTICE

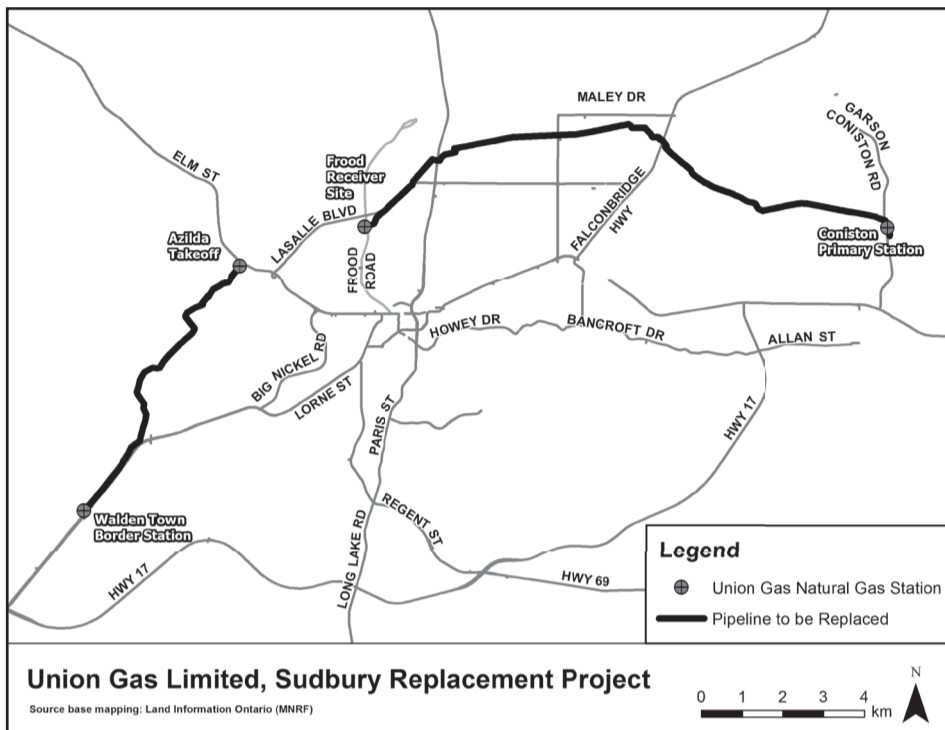

Union Gas Limited has applied for approval to construct a natural gas pipeline in the City of Greater Sudbury.

Learn more. Have your say.

Union Gas Limited has applied to the Ontario Energy Board for approval to construct 20 kilometres of 12 inch diameter pipeline to replace two sections of the existing 10 inch diameter pipeline of its Sudbury Pipeline System in the City of Greater Sudbury.

The construction involves removing the existing 10 inch diameter pipeline and replacing it with a new 12 inch diameter pipeline at most locations between Coniston Primary Station and Froid Receiver Site and of laying a new 12 inch diameter pipeline along the existing 10 inch pipeline between Azilda Takeoff and Walden Town Border Station.

A map of the proposed pipeline project is provided below.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider the application filed by Union Gas. During the hearing, we will question Union Gas on the case. We will also hear questions and arguments from individual consumers, municipalities and others whose interests would be affected. At the end of this hearing, the OEB will decide whether to approve the application.

As part of its review of this application, the OEB will assess Union Gas' compliance with the OEB's Environmental Guidelines for the Location, Construction and Operation of Hydrocarbon Pipelines and Facilities in Ontario.

The OEB will also assess whether the duty to consult with Indigenous communities potentially affected by the proposed pipeline has been discharged with respect to the application.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

BE INFORMED AND HAVE YOUR SAY

You have the right to information regarding this application and to be involved in the process.
