**Subject:** request to speak to Hydro One's Application for Distribution Rates 2018-2022 - OEB#: EB-2017-0049 at June 20 hearing in Clarence-Rockland

To whom it may concern,

I am a residential customer of Hydro One and I would like to make a five minute presentation during the OEB's community meeting to be held in Clarence Rockland on June 20, concerning Hydro One's application to increase its distribution rates.

OEB reference number EB-2017-0049

Thank you kindly

Peter Cahill
