I can't believe the trickery of this government and hydro one . It's a farce . You are all trying to snow is over but we all know what's happening. I was goi g to vote liberal because of this hydro rate relief but no more . This is buklsnit at its best. I am a dairy farmer and anytime I get a small penny raise it's eaten up by more than double by the electricity rates . I can't get ahead . You guys are shameful excuse for a Canadian.
