Dear Mr. Tsopelas

Re: Windlectric Inc. ("Windlectric")  
Order Varying the Decision and Order issued on December 10, 2015  
Board File No. EB-2014-0300

On December 8, 2016, the Ontario Energy Board (OEB) issued an Order Varying the Decision and Order issued December 10, 2015. The Vary Order was issued inadvertently with three typographical errors referencing the extended commence construction date as May 31, 2016 instead of May 31, 2017.

Rule 41.02 of the OEB Rules of Practice and Procedure provides that the OEB may at any time, without notice or a hearing of any kind, correct typographical errors, errors of calculation or similar errors made in its orders or decisions. The incorrect date reference is clearly a typographical error which the OEB is hereby correcting by issuing a Corrected Vary Order with the corrected date reference of May 31, 2017. Accordingly, the following sentences in the Vary Order are being corrected:

Page 3, 4<sup>th</sup> line of the last paragraph corrected to read May 31, 2017; and  
Page 4, 2<sup>nd</sup> and last lines of OEB Findings section corrected to read May 31, 2017.

The Vary Order is not otherwise varied in any way.

Yours truly,

Original Signed By

Kirsten Walli  
Board Secretary
