Dear Ms. Walli:

Re: Hydro One Networks Inc. – EB-2017-0049 – Distribution Rates – 2018-2022 – Intervention of the Consumers Council of Canada

I am a consultant to the Consumers Council of Canada (“Council”). I have been instructed by my client to intervene in the proceeding to consider the Application to the Ontario Energy Board (“OEB” or “Board”) by Hydro One Networks Inc. (“Hydro One”) for approval of its distribution rates for the period January 1, 2018 to December 31, 2022. The Council is a public-interest entity which represents the interests of residential consumers in Ontario. The Board’s order in this proceeding will ultimately impact the rates that residential consumers pay for the delivery of electricity.

On October 17, 2016, the Council filed with the Board, pursuant to Rule 22.03 of the Ontario Energy Board’s Rules of Practice and Procedure, a document describing the Council, its mandate and objectives, membership, the constituency represented, and the types of activities the Council carries out. In addition, we provided a list of the individuals authorized to represent the Council in Board proceedings.

The nature and scope of the Council’s intended participation in the proceeding will be the following:

1. To test the Applicant’s evidence specifically with respect to assessing the appropriateness of the rate proposals;
2. To assess any other proposals that have been set out in the Application that may impact residential ratepayers; and
3. To participate in the various stages of the proceeding which may include an interrogatory process, a technical conference, a settlement conference and an oral hearing.

The Council intends to ask for an order of costs in this proceeding. The Council has participated in many of the applications of Hydro One over a long period of time. In all of those proceedings the Council has been recognized as being eligible for an award of costs. In the absence of an award of costs the Council would be unable to participate in this proceeding.

Copies of all Board Notices and hard copies of the Applicant’s evidence should be sent to me, at 62 Hillsdale Avenue East, Toronto, Ontario, M4S 1T5. My telephone number is 416-322-7936 and my e-mail is jgirvan@uniserve.com.

Please let us know if any further information from the Council is required at this time.

Yours truly,

Julie E. Girvan
