STRONGLY OPPOSED

I am opposed to you applying for increases, how could anyone think this is a good idea, we just got a slap in the face of a decrease that didn't even come close to helping anyone out.

Your increases are killing middle class, making the poor unable to afford basic necessities, killing small business and hurting our economy.

Hydro one is single handedly destroying Ontario.

All you people ought to be ashamed of yourselves.

Our family is strongly opposed to any increases in hydro costs.

Sabrina and John Kreiner
