Dear Ms. Walli:

**Re: EB-2016-0105**  
**Thunder Bay Hydro Electricity Distribution Inc.**  
**Cost of Service Application – Evidence Update**

Thunder Bay Hydro has updated its evidence for the following referenced materials:

- 4-AMPCO-23
- 2-VECC-13
- Chapter 2 Appendices 2-D & 2-KA

In advance of the oral hearing dated April 20<sup>th</sup> 2017 Thunder Bay Hydro identified a few minor errors in the evidentiary record. The corrections are minor and specific in nature. Thunder Bay Hydro had planned to update this evidence at the April 20th oral hearing date; however in the interest of efficiency the evidence stated above has been updated and filed at this time. Thunder Bay Hydro's witnesses will be available to take questions about the updates to its evidence as necessary. Each input correction has been highlighted in yellow and is explained within the update evidence document.

An electronic copy of Thunder Bay Hydro's Evidence Update will be submitted through the Board's e-Filing Services and two paper copies will be sent courier to the board.

If you require any further information, please contact the undersigned at (807) 343-1118.

Yours truly,
