-- Case Number --  
EB-2017-0049

-- Name --  
Arthur Tolda

-- Phone --  
[REDACTED]

-- Company --

-- Address --  
[REDACTED]

-- Comments --  
Hydro One's rates are already amongst the highest in North America. Indeed, more than twice the delivered rate for my US house. The reason has to be either corruption or incompetent management for a nation that generates so much electricity.

The OEB should enforce favoured rates for Ontario consumers instead of deep discounting exported electricity. The responsibility for such mismanagement has to fall on both the OEB as well as Hydro One.

Disgusted,  
Arthur Tolda
