Really, another hydro increase.
Rather than continually raising the Hydro rates, look at the internal costs, wasted funding, do a full audit of Hydro one.

Remove duplicate jobs, jobs in which the employees are no longer productive,
hiring practices at hydro.

I think the company should have a full audit, restructure, and used the saved funds to save clients money. Rather than having clients pay for a poorly run company.

Disallow the increase, make the executives of hydro take pay cuts.

This is crazy, day to day needs, the price goes up.

Start the firing at hydro one.
