Subject: Hydro One rate increase!!

Ontario Energy Board,

I just received my last Hydro One Bill and I'm paying \$89.12 for 30 days of use at 15kWh average use per day. Actual use was 449.8937kWh. I don't care how they divide up the billing, that is \$5.0482 dollars a kWh.

Enough. It is time to STOP the madness.
