Please reject Hydro One's application for proposed increases. Our hydro rates are already terribly high and I struggle with being able to afford my rent (which includes hydro). I'm a single parent who pays high rent and will most likely see it increase if such a proposal is accepted.

I object Hydro One's application strategy and hope you will do the same for all Ontarians who pay too much for hydro as it is.

Thank you for your time;
J. Vipond.
