Please hold Hydro One and Catherin Winn's government to account! they have made so many bad decisions that have cost Ontario's tax payers tens of millions of wasted hard earned dollars, most family's now living in Ontario have a hard time surviving, both parents have to work to survive and have to look around for cheap sometimes over due date foods just to live, We are already among the highest taxed people in the world but our services are getting worse, I pay my share of taxes but the officials either steal it or waste it through incompidence or crookedness, PLEASE DO NOT GRANT THIS INCREASE
