Experience:

April 2015 to current – Finance Controller

Five Nations Energy Inc, Timmins, ON

Became a part time employee of FNEI and continued doing the work that I was doing previously under contract. This includes looking after all aspects of financial management of the utility including cash flow, OM&A budgeting, capital budgeting, risk management, etc.

June 2007 to current – Advisor

Reimer Consulting Services, Timmins, ON

As the owner of this consulting firm I am responsible for providing direction to the company as well as providing advisory services to numerous clients.

The advisory services provided include financial management, regulatory compliance, policy development, business development, and communication services. Clients include Attawapiskat Power Corporation, Kashechewan Power Corporation, Island Falls Forestry Services, Coral Rapids Power Corporation (New Post Creek hydro-electric power project commercial operation commenced March 31, 2017), Cree West Limited Partnership as well as numerous others.

July 1998 to May 2007 – Advisor

McLeod Wood Associates, Timmins, ON

As a member of this dynamic consulting firm I was responsible to provide advisory services for various First Nation businesses and entities primarily in the energy, technical services, and First Nation governance areas. The advisory services provided include financial management, policy development, business development, and communication services. Clients included Five Nations Energy Inc., Attawapiskat Power Corporation, Kashechewan Power Corporation, Fort Albany Power Corporation, Peetabeck Health Services, Wabun Tribal Council as well as numerous others. Major accomplishments include playing a key role in the project team that developed and continues to operate Omushkego Ishkotayo, the transmission line that connects the communities of Fort Albany, Kashechewan, and Attawapiskat to the North American electricity grid and which now provides electricity to the De Beers Victor Diamond Mine. I was also key in establishing the three local distribution companies in the connected communities.

March 1996 to June 1998 - Associate Executive Director

Mushkegowuk Council, Moose Factory, ON

As Associate Executive Director I was responsible for all areas of the administration and finance of the Mushkegowuk Council, a tribal council made up of seven First Nations. I worked closely with the Executive Director, as well as the Grand Chief, and other members of the Senior Management Team as we sought to fulfill the mandate given to us by our member First Nations.

I was appointed co-manager for the Kashechewan First Nation effective April 1st, 1997. As co-manager I co-managed all affairs of the Kashechewan First Nation together with Tom Reuben, KFN Executive Director. Working together, in conjunction with the Chief and Council and the administration staff, we ensured the continued solvency of the Kashechewan First Nation through instituting proper financial controls and program management. I was also primarily responsible for the development of a Five Year Remedial Management plan that would reduce the deficit to zero. During this time I continued to fulfill my responsibilities as Associate Executive Director at the tribal council.

January 1995 to March 1996 - Finance Officer Attawapiskat First Nation, Attawapiskat, ON

As Finance Officer I was responsible for all aspects of the finance department including data entry, production of financial statements, purchasing control, budgeting, as well as supervising several other staff. I also filled in as acting Executive Director when requested.

Education:

1995 Certified General Accountants-Completed Courses in Level II

1988-1989 Steinbach Bible College, Steinbach, Manitoba

Completed one year of General Arts and Bible courses including speech and public presentations.

1985 Steinbach Christian High School, Steinbach, Manitoba

Graduated from Grade 12
