I cannot talk because I have ALS. I live on a pension. We have a pole down our road that is almost toppled over. That's going to be another time we lose power. Since the beginning of 2017 we lost power a minium of 6 times.

Do we get credit for that> Not in the lest. I live on a pension and cannot afford any more raises. I have my hydro bill since 1968 - the time we moved in our house, It was \$75.00. I wish it was that now. That I can afford.
