Mr. Ray Ford

Dear Mr. Ford:

**Re: wpd White Pines Wind Incorporated (White Pines)  
OEB File Number EB-2016-0268**

Thank you for your email message of July 11, 2017. As you mentioned in that message, counsel to wpd White Pines Wind Incorporated (White Pines) advised, in a letter received by the OEB on June 29, 2017, that the appeal period for the Decision of the Environmental Review Tribunal had closed, and that "no appeal of that decision was made." As you will also know, counsel to White Pines asked in that letter that proceedings related to the matter of White Pines' leave to construct be adjourned until the disposition of a motion by the OEB in a Divisional Court proceeding titled *CCSAGE Naturally Green v. Director, Section 47.5, Environmental Protection Act and Minister of Natural Resources and Forestry and Ontario Energy Board* (Div. Ct. File No. 15-2162). The OEB will be reviewing the White Pines request and your most recent correspondence, and either OEB staff or the OEB itself will be responding to you when the matters raised in those two filings have been considered.

Yours truly,

*Original Signed by*

Kristi Sebalj  
Registrar
